Claims Settlement

1 Limits of Indemnity

The Insurer's limit of liability for loss or destruction of or damage to the Property Insured shall not exceed in any one period of insurance the Declared Value recorded against each item in your Schedule.

2 Basis of Settlement

The basis upon which the amount payable is to be calculated shall be the replacement or reinstatement of the property lost, destroyed or damaged provided that such replacement or reinstatement is actually incurred. For this purpose "reinstatement" means

- (a) the rebuilding or replacement of property lost or destroyed which, provided the Insurer's liability is not increased, may be carried out:
 - (i) in any manner suitable to the requirements of the Insured
 - (ii) upon another site
- (b) the repair or restoration of property damaged in either case to a condition equivalent to or substantially the same as but not better or more extensive than its condition when new.

3 Declared Value

At the inception of each period of insurance the Insured shall notify the Insurer of the Declared Value of each item of the Property Insured. In the absence of such a declaration the last amount declared by the Insured shall be taken as the Declared Value for the ensuing period of insurance. 'Declared Value' means the Insured's assessment of the cost of reinstatement of the property insured arrived at in accordance with paragraph 2(a) at the level of costs applying at the inception of the period of insurance (ignoring inflationary factors which may operate subsequently) together with in so far as the insurance by the item provides, due allowance for:

- (a) the additional cost of reinstatement to comply with Public Authority requirements
- (b) professional fees
- (c) debris removal costs

4 Underinsurance

If at the time of loss, destruction or damage the Declared value of any Item (other than Item 3) is less than the cost of reinstatement (as defined in Paragraph 2 above) at the inception of the period of insurance then the Insurer's liability for the loss, destruction or damage shall not exceed that proportion thereof which the Declared Value bears to such cost of reinstatement.

5 Inflation Provision (Buildings and Trade Contents)

The Insurer will provide free of charge an uplift (up to a maximum of 15%) to the Declared Value (as defined in 3 above) to cover the effects of inflation during the period of insurance where required to reinstate the damaged property.

The uplift for inflation applies at the rate of 1/365th per day during the Period of Insurance.

6 Special Conditions

- (a) The Insurer's liability for the repair or restoration of property damage in part only shall not exceed the amount which would have been payable had such property been wholly destroyed.
- (b) Reinstatement shall commence and proceed without unreasonable delay.
- (c) Until the cost of reinstatement has been actually incurred, no payment shall be made beyond the value of the property at the time of its loss or destruction.

7 Rent

If an item on Rent is included in this Section, then in respect of that Item

- (a) the insurance shall operate only if the Building or any part of it is unfit for occupation in consequence of its destruction or damage
- (b) the Basis of Settlement shall be the reduction in rent solely by reason of the destruction or damage, and the amount payable shall not exceed that proportion of the sum insured that the period necessary for the reinstatement of the Building bears to the number of months' Rent insured.

Extensions

1.1 Professional Fees

The sums insured by Items 1 and 2 include an amount in respect of architects' surveyors' consulting engineers' legal and other fees reasonably and necessarily incurred in the reinstatement of the Property Insured solely by reason of its destruction or damage *but not preparing any claim* provided that the liability for such destruction or damage and fees shall not exceed in the aggregate the sum insured by each item.

1.2 Removal of Debris

This insurance includes costs and expenses necessarily incurred by the Insured with the consent of the Insurer in

- (a) removing debris
- (b) dismantling and/or demolishing
- (c) shoring up or propping of the portion or portions of the Property Insured destroyed or damaged by fire or by any other peril hereby insured against.

The Insurer will not pay for any costs or expenses

- (1) *incurred in removing debris except from the site of such property destroyed or damaged and the area immediately adjacent to such site*
- (2) *arising from seepage, pollution or contamination of property not insured by this policy.*

The liability of the Insurer under this extension and the Section in respect of any Item shall in no case exceed the sum insured by that Item.

1.3 Temporary Removal

The property insured by items 1 and 2 is covered while temporarily removed for cleaning, renovation, repair or other similar purposes to other premises in Great Britain, Northern Ireland, the Isle of Man, or the Channel Islands (*unless otherwise insured*) including transit (but not loss or damage by theft while in transit) to or from other premises.

The amount recoverable under this extension in respect of each item shall not exceed either

- (i) the amount which would have been recoverable had the loss occurred in that part of the Premises from which the property is temporarily removed, or
- (ii) 10% of the sum insured by the item.

1.4 Capital Additions

The insurance by Items 1 and 2 includes:

- (a) any newly erected or acquired buildings (including such buildings while they are in the course of erection if the Insured is responsible for them), machinery and plant in so far as they are not otherwise insured anywhere in England, Wales or Scotland.

-
- (b) alterations, additions and improvements to buildings, machinery and plant (but not in respect of any appreciation in value) anywhere in England, Wales or Scotland provided that
 1. At any one situation this cover shall not exceed ten per cent of the respective total sums insured on buildings and machinery/plant insured by this policy or £100,000 whichever is the lower
 2. The Insured undertakes to give particulars of such extensions of cover as soon as practicable, and in any event at intervals of not more than six months, and to effect specific insurance retrospective to the date the Insurer's liability began.

1.5 Local Authorities

The insurance by Items 1 and 2 includes such additional cost of reinstatement of the destroyed or damaged property thereby insured as may be incurred solely by reason of the necessity to comply with building or other regulations under or framed in pursuance of any Act of Parliament or with bye-laws of any municipal or local authority provided that

- (1) The amount recoverable under this extension shall not include
 - (a) the cost incurred in complying with any of the aforesaid regulations or bye-laws
 - (i) in respect of destruction or damage occurring prior to the granting of this extension
 - (ii) in respect of destruction or damage not insured by the policy
 - (iii) under which notice has been served upon the Insured prior to the happening of the destruction or damage
 - (iv) in respect of undamaged portions of property other than foundations (unless foundations are specially excluded from the insurance by this policy) of that portion of the property destroyed or damaged
 - (b) the additional cost that would have been required to make good the property damaged or destroyed to a condition equal to its condition when new if the necessity to comply with any of the aforesaid regulations or bye-laws had not arisen
 - (c) the amount of any rate, tax, duty, development or other charge or assessment arising out of capital appreciation which may be payable in respect of the property, or by the owner of the property, by reason of compliance with any of the aforesaid regulations or bye-laws.
- (2) The work of reinstatement must be commenced and carried out with reasonable dispatch, and in any case must be completed within twelve months after the destruction or damage (or within such further time as the Insurer may (during the same twelve months) in writing allow).

Reinstatement may be carried out wholly or partially upon another site (if the aforesaid regulations or bye-laws so necessitate) subject to the liability of the Insurer under this extension not being thereby increased.
- (3) If the liability of the Insurer under any item apart from this extension shall be reduced by the application of any of the terms and conditions of the policy, then the liability of the Insurer under this extension in respect of that item shall be reduced in like proportion.
- (4) The total amount recoverable under any item shall not exceed the sum insured by that item.

The Insurer will indemnify the Insured against Accidental Damage to underground water, gas, oil, drain or sewer pipes and the underground electricity or telephone cables extending from the Premises to the public mains for which you are responsible.

1.7 Landscaping

This insurance includes costs and expenses reasonably and necessarily incurred by the Insured with the consent of the Insurer in repairing reinstating or making good damage to landscaped gardens and grounds caused by Fire Brigade equipment and personnel in the course of combating fire or any other peril insured against at the premises.

The amount recoverable under this extension shall not exceed £5,000 in any one period of insurance.

1.8 Drains and Gutters

1.9 Replacement of Locks

The Insurer will indemnify the Insured in respect of the cost of replacing locks following loss of keys to the Premises or to any safe within the Premises by theft

- (a) following a hold-up accompanied by violence or threat of violence while such keys are in your personal custody or that of an authorised employee;
 - (b) involving entry to or exit from the Premises by forcible and violent means;
 - (c) from your residence or that of any director, partner or authorised employee;
- but not loss of keys to safes if such are left on the Premises overnight.

1.10 Workmen

Workmen and/or tradesmen are allowed in or about the Premises for maintenance purposes and/or for effecting minor repairs, alterations or extensions without prejudice to this insurance.
